Time 012:00:00 Hrs
Broadcasting House Douglas Head**

Manx Radio supports Bay Festival

Manx Radio, the Isle of Man's national broadcaster has been chosen as the exclusive radio media partner for the 2010 Bay Festival. The station will host exclusive star interviews, provided audio imaging for commercials and compare the even live.

So far acts booked to appear included multi award winners **JLS supported by Calvin Harris and Diversity** and an 80's night with **Rick Astley, Belinda Carlisle, Boy George, The Real Thing, Curiosity Killed the Cat, Kim Wilde and The Cutting Crew**. The event will be staged over 3 nights 18th – 20th June 2010.

Manx Radio's Business Director John Marsom commented *"this is a tremendous opportunity for the station to be the exclusive radio partner. The event will see 30,000 people in the three days and we are honoured to have been chosen to be a key partner."*

For more information The Bay Festival go to manxradio.com and follow the link.

Manx Radio was the first commercial radio station to start broadcasting in the British Isles in 1964. In 2009 it celebrates its 45th anniversary of serving the Isle of Man as both a commercial and Public Service Broadcaster.
