The Sound of your Life

Nick Crowe and Mark Cox Fundraiser

On Friday the 26th June at Paramount City over 400 generous folk turned up for this very special event. Chris Williams, David Cretney MHK and Mike Reynolds provided the musical entertainment, with great support from John Marsom and Merita Taylor.

Chris Williams handled the Auction really well and helped to raise the overall total collected to almost £8,000.00 (and still counting!)

Can we say a **BIG THANK YOU** on behalf of everyone to Mr David Woodiwiss from the Sefton Group and Steve Harding, Paramount City's manager for allowing us to take over the nightclub for this very special event. But especially to all those who came along on the night and parted with some of their hard earned cash.

Once again the Isle of Man shows it's generosity....Thank you
